

Year 12 Shine Brights

It is with great excitement that we share with you our Year 12 girls' exceptional HSC results. We congratulate each girl and every member of Abbotsleigh staff for their incredible dedication and hard work.

Indeed, hard work, determination, resilience, collaboration and fun have contributed to our Year 12 girls fulfilling their theme, 'shine bright' in 2022. The girls' final three years of school have been challenging due to lockdowns, online learning, the cancellation or rescheduling of key events in the rhythm of school, and general disruptions to their learning and connections. Yet, through all of this, they have persevered, worked tirelessly with their teachers, collaborated with each other, strived to achieve their personal best
