About Julien Playoust

The art st focuses primarily on plein air and narrat ve studio paint ng. Working from preliminary sketches, memory and montages, Playoust explores themes of landscape and labour, and our common human experience. He has a lifelong passion and commitment for paint ng and art. It is only over the last number of years that Playoust has established a dedicated studio pract ce with a permanent paint ng studio based in Sydney, and he has been included in exhibit ons since 2019.
